Sr. Roberto Andrade,
Guayaquil,
Ecuador,-

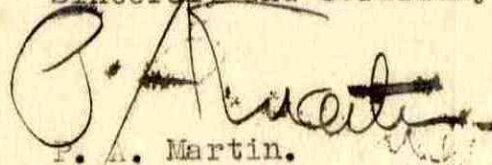

My illustrious Friend,-

I am dropping you a note to tell you that my library appropriation for the present year is at length available and that I am this day ordering a copy of your monumental seven volume Historia del Ecuador from your publishers Messrs. Reed and Reed. I am sure it will constitute a valuable addition to our University Library.

May I congratulate you on your appointment to the vicepresidency of the Instituto Panamericano de Geografia e Historia. It is a richly merited honor.

With all good wishes and warmest personal regards, I remain, my dear Sr. Andrade,

Sincerely and cordially yours,

P. A. Martin.
